

ARTICLE 01. PHOTO CONTEST

The Circolo Fotografico Sannita in collaboration with FIAF Young announces the first edition of the national photo contest: "Objective on 5".

EXPIRY 15th April 2022

ARTICLE 02. OBJECTIVE OF THE COMPETITION

The theme of the new edition of the photo contest is inspired by Goal 5 of the 17 Sustainable Development Goals of the 2030 Agenda, which declares the aim of achieving gender equality and empowerment (greater strength, self-esteem and awareness) of all women and girls. Today, more than ever, it is necessary to promote a culture of equality that contributes to combating violence and discrimination against women. Images have extraordinary communicative power and help to spread a culture of respect. The competition is aimed at highlighting women through a photo shoot dedicated to them. A smile, an everyday gesture, a look of tenderness: through images we tell the preciousness and beauty of being women. The classroom is a living environment in which students share educational activities and social relationships for many hours and months and in which, necessarily, very strong socio-relational dynamics are created that are important for the development of children and young people.

The Photographic Competition is open to students from public, private and paritarian secondary schools in Italy.
